The Office of Administrative Hearings (OAH) conducts administrative hearings and provides alternative dispute resolution services for a wide variety of State and local agencies.

OAH provides highly-trained, unbiased and professional administrative law judges, arbitrators and mediators who preside over a wide variety of disputes and claims such as disputes involving professional and occupational licenses (doctors, dentists, real estate agents, vehicle salespersons, day care providers, registered nurses, etc.) developmental disability services, special education services, teacher disciplinary actions, teacher reduction in force (layoff), retirement, local ordinance violations, bid protests, audit appeals, etc.

For State agencies whose proceedings are subject to the Administrative Procedure Act (APA) (Gov. Code, §11370, et seq.), an interagency agreement is not required. Once an agency is established with OAH, OAH will direct-bill the State agencies using the agencies' bill code.
